Ms. Key filed against Dynamic Security for Title VII violations regarding discrimination based upon race, sex (pregnancy) and retaliation. As you can see from the attached EEOC Form 5, the allegations her whether her accusations fall against Dynamic vs Hyundai.

Cassandra, please feel free to pass along the attached Form 5 and the Position Statement which I submitted on behalf of Dynamic Security on September 1, 2017 to whomever would be in the position of our files which I feel can be helpful to Hyundai.

If counsel would like to reach out to me to discuss the Dynamic position statement, please pass along my email address to whomever that might be.

Thank you,
